§ 33.11 COLLECTION.

(A) Whenever any special assessment roll shall be confirmed and be payable, the Council shall direct the Village Clerk to transmit the assessment roll to the Village Treasurer for collection. The Village Treasurer shall mail statements of the several assessments to the respective owners of the several lots and parcels of land assessed, as indicated by the records of the Village Assessor, stating the amount of the assessment and the manner in which it may be paid; provided, however, failure to mail any such statement shall not invalidate the assessment or entitle the owner to an extension of time within which to pay the assessment. The whole or any part of such assessment may be paid in full at any time after the date of confirmation of the special assessment roll until such time as the Council shall prescribe, without interest or penalty. Each special assessment shall be collected by the Village Treasurer with the same rights and remedies as provided by statute for the collection of taxes, except as otherwise therein provided.

(B) All collection fees shall belong to the village and be collectible in the same manner as the collection fee for village taxes.
(1989 Code, § 25.110)

§ 33.12 FEES AND INTEREST.

After the expiration of the period provided for in § 33.10 of this chapter for payment without interest or fees, any installment may be discharged by paying the face amount thereof together with fees and interest thereon from the date of confirmation to the date of payment.
(1989 Code, § 25.120)

§ 33.13 ADDITIONAL ASSESSMENTS.

Should the assessments on any special assessment roll, including the amount assessed to the village at large, prove insufficient for any reason to pay the cost of the improvement for which they were made, then the Council may make additional pro rata assessment to supply the deficiency against the village and the several lots and parcels of land in the same ratio as the original assessments, but the total amount assessed against any lot or parcel of land shall not exceed the value of the benefits received from the improvement.

(1989 Code, § 25.130)

§ 33.14 REFUNDS.

Should the special assessment or the proceeds of sale of any special assessment bonds prove larger than necessary to meet the cost of the improvement or to meet the principal and interest requirements of any special assessment bonds and expenses incidental thereto, the excess shall be placed in the village treasury. If more than 5%, the excess shall be returned pro rata according at assessments, except as otherwise specifically provided. No refunds may be made which contravene the provisions of any evidence of indebtedness secured in whole or in part by such special assessments.

(1989 Code, § 25.140)

§ 33.15 DIVISION OF LOTS AFTER CONFIRMATION OF ASSESSMENT.

(A) Should any lots or lands be divided after a special assessment thereon has been confirmed and divided into installments, the Village Assessor shall apportion the uncollected amounts upon the several amounts as amendments upon the special assessment roll. The Village Treasurer shall, within ten days after such apportionment, send notice of such action to the persons concerned, at their last-known addresses, by first class mail.

(B) Such apportionment shall be final and conclusive on all parties unless protest in writing is received by the Village Treasurer within 20 days of the mailing of the aforesaid notice.

(1989 Code, § 25.150)

§ 33.16 ASSESSMENT DEFECTS.

(A) Whenever the Council deems any special assessment invalid or defective, or whenever a court adjudges an assessment to be illegal in whole or in part, the Council may cause a new assessment to be levied for the same purpose, whether or not the improvement or any part thereof has been completed, or any part of the special assessment collected. All proceedings on such reassessment and for the collection thereof shall be conducted in the same manner as provided for the original assessment.

(B) If any portion of the original special assessment is collected and not refunded, it shall be applied upon the reassessment, and the reassessment shall, to that extent, be deemed satisfied. If more than the amount reassessed is collected, the balance shall be refunded to the person making such payment.

(C) If in any action it shall appear that, by reason of any irregularities or informalities the assessment has not been properly made against the person assessed or upon the lot or premises sought to be charges, the court may nevertheless, on satisfactory proof that expense has been incurred by the village which is a proper charge against the person assessed or the lot or premises in question, render judgment for the amount properly chargeable against such person or upon such lot or premises.

Public Improvements

§ 33.17 ADDITIONAL PROCEDURE.

In any case where the provisions of this chapter may prove to be insufficient to carry into full effect the making of any improvement or the special assessment therefor, the Village Council shall provide any additional steps or procedure required to affect the improvement by special assessment in the resolution declaring the determination of the Village Council to make such improvement in the first instance.

(1989 Code, § 25.170)

§ 33.18 SINGLE LOT ASSESSMENTS GENERALLY.

(A) When any expenses shall be incurred by the village upon or in respect to any separate or single lot, parcel of land or premises, which, by the provisions of this chapter, the Council is authorized to charge and collect as a single lot special assessment against the same, and which is not of that class of special assessments required to be make pro rata upon several lots or parcels of land in a special assessment district, an account of the labor or services for which such expense was incurred, verified by the officer or person performing the labor or services, or causing the same to be done, shall be reported to the Village Council in a manner it prescribes. The accounting reported to the Council shall include a description of the lot or premises on or in respect to which the expense

was incurred, the name of the owner or person chargeable therewith, and the cost of labor or services performed. The provisions of § 33.17 of this chapter with reference to pro rata special assessment generally, and the proceedings necessary to be had before making the improvement, shall not apply to single lot assessments contemplated in this section.

(B) The Village Council, after review of the single lots assessment account, shall determine what amount or part of every such reported expense shall be charged and the premises upon which the same shall be levied as a single lot special assessment. As often as the Village Council may deem it expedient, it shall require all of the several amounts so reported and determined and the several lots or premises chargeable therewith respectively to be reported by the Village Clerk to the Village Assessor, who shall spread such amounts against the real property chargeable therewith on the next tax roll for the collection of general village taxes.

(1989 Code, § 25.180)

§ 33.19 USE FOR RECOVERY OF COST OF ABATING PUBLIC NUISANCES AND HAZARDS.

When any lot, building or structure, because of accumulation of refuse or debris, the uncontrolled growing of weeds, or age or dilapidation, or because of any other condition or happening, becomes a public hazard or nuisance which is detrimental to the health or safety of the inhabitants of the village, or of those residing or habitually going near such lot, building or structure, the Council may order such hazard or nuisance abated and the cost of such abatement assessed against the lot, premises or description of real property upon which such hazard or nuisance was located as a single lot assessment.
